## INNOVATION ECOSYSTEM

Supporting and building a diverse and innovative entrepreneur community in South Central PA.

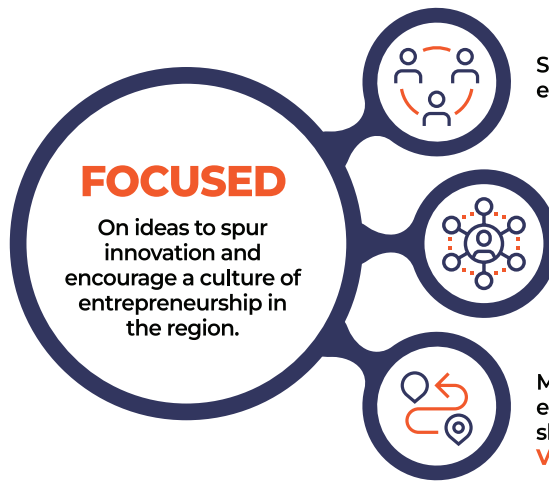

**Provide innovators and entrepreneurs with what they need and want.**

To develop the next generation of technology workforce and companies.

**Regional connections across Harrisburg, Lancaster, York.** We are connecting!

– Have you heard about our awesome Keystone Merge initiative that brings entrepreneurs together? If not, check out the web site [KeystoneMerge.com](http://KeystoneMerge.com) and join us for our next gathering.

**Ecosystem Mapping.** There are lots of relationships, skills, and information available within our community. To see the interconnectedness within our region and resources for entrepreneurs visit [wayfinderecomap.com](http://wayfinderecomap.com).

**FOCUSED**

On ideas to spur innovation and encourage a culture of entrepreneurship in the region.

Supporting South Central PA entrepreneur communities.

Providing entrepreneurs with opportunities through Keystone Merge monthly events.
